PREFACE

The Profile of Students Enrolled at The University of Iowa, First Semester 1995-96 should have a brief explanation as follows:

1. A cut-off date of September 11 was used for all Fall 1995-96 enrollment statistics to achieve consistency both within the Profile and with other enrollment reports published by the University. Because of this cut-off, however, some reports contain a greater number of uncoded variables as a result of time constraints in processing student materials. In the case of ACT figures, the "missing information" columns reflect a number of waivers for incoming transfer students, in addition to a number for whom ACT scores were obtained but too late to be included in these tables.
2. Entrance examination scores for the Graduate College and the College of Business Administration will be reported for the previous year's classes in order to include all available information compiled in these areas and to more accurately reflect the range of scores for the entire entering classes. The early date of preparation would have allowed inclusion of only a fraction of these scores for students entering fall 1995. The professional colleges of Dentistry, Law and Medicine entrance examination scores and g.p.a. data will be reported for the fall 1995 classes.

Further clarification of materials contained in the Profile may be obtained by contacting Jean Lawrence or Jerald W. Dallam, Office of the Registrar, 335-0221. Suggestions for modifications will be welcomed.

FACTS AT A GLANCE

Total enrollment at the University is 27,597 for the first semester 1995-96, an increase of 665 (or 2.47%) over the previous year. Seventy-eight percent of the students are enrolled full-time. Fifty-one and a half percent of the students are women. The largest college is Liberal Arts, enrolling 56.7% of the total; the Graduate College follows with 23.4% of the total.

Students come to the University from every Iowa county, all fifty states, one U.S. possession and 104 foreign countries. Iowa residents comprise 65.7% of the total enrollment; 19.9% of the total reside in adjoining states; and 6% reside in foreign countries. Thirty-four percent of the non-Iowa students are enrolled in the Graduate College.

The most popular undergraduate majors are engineering, with 1,150 students, psychology, 1,016; business administration, 992; English, 944; education, 815; communication studies, 573; biology, 568; art & art history, 456; nursing, 456; pharmacy, 407; political science, 379; sociology, 358; sport, health, leisure and physical studies, 316; history, 314; computer science, 241; and music, 203. Sizable numbers of students are also enrolled in the following programs: pre-business, 1,590; pre-medicine, 532; pre-nursing, 423; pre-pharmacy, 219; pre-law, 151; pre-dentistry, 71. About twelve percent of the undergraduates have an open (non-declared) major.

At the graduate level the most frequently selected major is education with 977 students, followed by M.B.A., 502; engineering, 437; English, 272; nursing, 259; music, 204; social work, 203; art and art history, 179; communication studies, 122; physical therapy, 119; history, 108; chemistry, 108; and computer science, 107.

The median age of the total student body is 22. The median age for undergraduates is 21; the median age for graduate students is 30; and the median age for students in the professional colleges is 26.

Minority enrollment comprises 9.2% of the total enrollment; 2.7% Black; 0.4% American Indian; 3.9% Asian and 2.1% Hispanic. Foreign student population has decreased to 1,673 students for fall 1995-96; 6.1% of the total enrollment.

During the year 1994-95, a total of 5,526 degrees were awarded by the University; 3,302 bachelor's degrees; 468 degrees in Dentistry, Law, Pharm D. and Medicine; 1,416 master's degrees; and 340 Ph.D. and D.M.A. degrees.

New Students

Twenty-five percent of all students on the campus this fall are new to the University. The number of entering freshmen has increased by 211 students to 3,578 compared to 3,367 in 1994-95. The number of transfer students new to the University increased by 99 students (from 3,160 in 1994-95 to 3,259 in 1995-96).

Sixty percent of the new transfer students are Iowa residents; they represent 96 Iowa counties. Transfer students also came from 49 states, 1 U.S. possession and 59 other countries.

Almost forty percent of the transfer students came from other colleges in the State of Iowa. Of the students who transferred from other Iowa colleges, 280 entered from the other two state universities, 394 from private four-year colleges, 614 from community colleges, 1 from a private junior college, 3 from business colleges and 3 from nursing schools.

Sixty-two percent of the entering freshmen are Iowa residents; they represent 99 Iowa counties. An additional 33% came from adjoining states and only 4.6% from other states and foreign countries. Freshmen came from 42 states, and 12 countries.

The quality of the 1995 freshmen class is indicated by such measures as high school grade-point average (81% with 3.00 or higher; 98% with 2.50 or above); rank in high school class (21% in the top tenth, 88.8% in the upper half); and ACT composite score (43.2% rank in the top tenth, 84.3% in the upper half of national college bound high school seniors).

Although 28% of the entering freshmen declared an open major, many freshmen did declare a major field; the most frequently mentioned are: pre-business, 425; pre-medicine, 282; engineering, 245; psychology, 150; pre-pharmacy, 131; interest/communication studies, 117; pre-physical therapy, 111; pre-nursing, 111; biology, 109; pre-elementary education, 100; English, 95; pre-law, 88; and pre-journalism, 64.
